The Quebrada Estate

Welcome to Paradise! The Quebrada Estate is truly a bit of heaven on earth. Measuring approximately 7.5 hectares or 18 acres, the property is surrounded by 3 small streams and a beautiful lake. The Estate House is an exquisite executive home featuring 3 bedrooms complete with ensuite baths, gourmet kitchen with Kitchen Aid appliances, beautifully finished living areas, and a spectacular terrace overlooking the property and lake, as well as a patio on the lower level. A short walk through the lush gardens takes you to the swimming pool, barbeque, gazebo, media room, steam room and bath room alfresco. An amazing home within a spectacular setting!

Ten lots are also available, one of which is located on the lakefront beside the main house, one on the main road into the estate, and seven are located on streams. Lot prices vary from \$25.00 - \$35.00 US per square meter, and lot sizes vary from 5,000 to 7,000 sq. m. All of the lots have been separated from the main house, ensuring privacy, and each has access to electricity and water. A gated main entrance to the estate is supplied along with a night guard for additional security. Plus the Estate features wonderful common areas including tennis court and handball court. Opportunities to own property like this don't come around very often – you won't want to miss it!
