Paradise!

Price \$ 77,000.00 US Dollars

Located approximately 4 miles from the picturesque village of Tambor is Villas Del Mar – a smaller but growing subdivision. With existing roads throughout, including many cul de sacs, water and electric lines have been extended to the property line and the lots are flat and ready for building. The area is slowly increasing in density – in the past 18 months, 6 new homes have been completed and 2 more homes are nearing completion. The road has direct access to the beach, which can also be accessed by a short ten minute walk. We are working with a local builder who has extensive experience, so you can rest assured you will get the home of your dreams.
